

FREQUENTLY ASKED QUESTIONS

HOW DO I UPGRADE MY ACCOUNT TO AN INSTRUCTOR ACCOUNT?

To create an Instructor account, you'll have to submit the form "Request to be a Instructor", listed below. This form helps authenticate each Instructor creating a course, so there are no fraudulent accounts, nor accounts that abide by the regulations of Clout Share. If you have already created a Student account, then fill out the form entirely and the team will reset and create your Instructor account; this takes up to 24 hours.

HOW DO I CONTACT A TEAM MEMBER AT CLOUT SHARE, LLC?

To contact a team member at Clout Share, email dejaun@thecloudshare.com. We will respond as soon as possible to answer any questions you may have.

WHAT IS THE DIFFERENCE OF AN INSTRUCTOR ACCOUNT AND A STUDENT ACCOUNT?

A student account is specific for users that would like to take courses and learn valuable information from the courses featured on Clout Share. An instructor account allows users to create their own course by obtaining access to a 'Instructor's View' where they can create and edit their content. From the instructor's view, users are also able to see the name and progress of each user enrolled in their course.

HOW DO I GET PAID USING CLOUT SHARE?

If the user is an instructor, they will have the opportunity to build passive income by featuring their course on Clout Share. Each instructor can charge whatever price they would like, while Clout Share takes a small percentage of earnings. The Instructor will receive updates each occasion they sell a course relating to their earnings and opportunities to cash out. Clout Share will reach out to a "cash out" request and pay each instructor via Cash App, PayPal, or Zelle.
